

OILCARE

Enhance Performance
Maintain Levels
Extend Oil Life

+ Example Installation

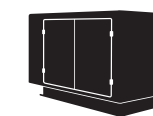

RS Oil Replenishment System with Remote Fill

RS Oil Replenishment System with Bulk Fill

+ Typical Applications

+ Gensets

+ Straddlers

+ Buses & Coaches

+ Cement Mixers

+ Tipper Trucks

+ Refuse Trucks

+ Sweepers

+ Truck Mounted Cranes

+ Excavators

+ Dump Trucks

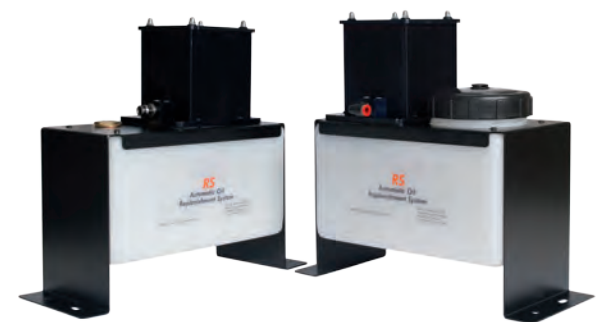

+ Wheeled Loaders

+ Crushers

THE BENEFITS

RS Oil Replenishment System

+ Engine Oil Replenishment

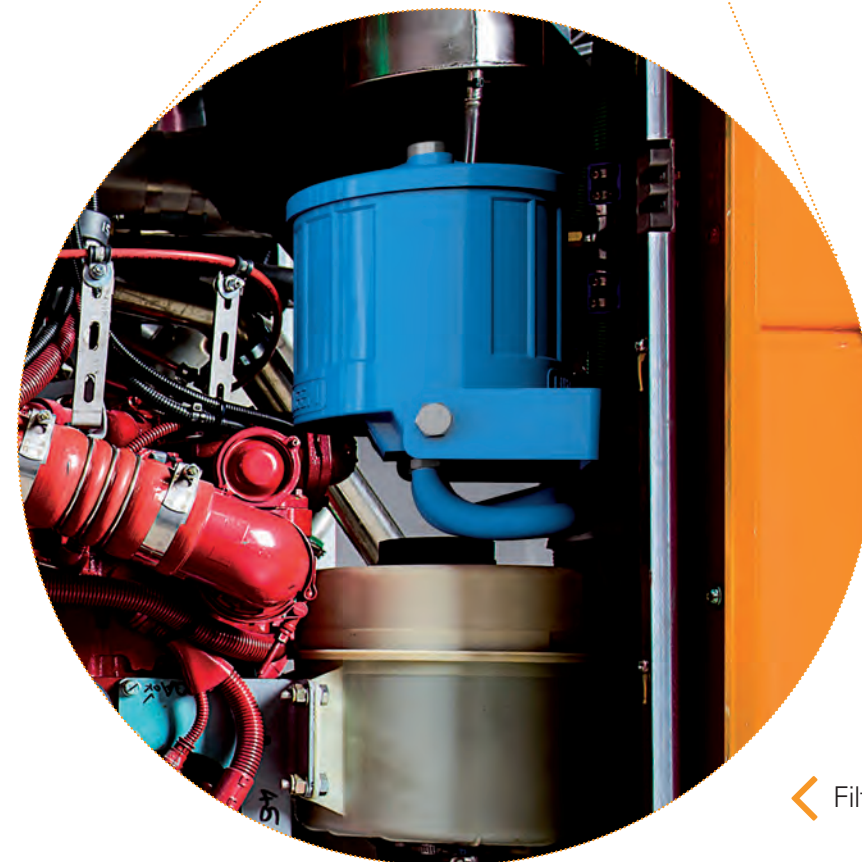

- > Oil level check initiated on engine ignition
- > System health check performed on every start-up
- > Complete memory function
- > System status monitoring
- > Real-time fault diagnosis
- > Full history of oil consumption
- > Prevents incorrect oil top-ups
- > Oil is of a consistent quality

Filtakleen Oil Bypass Filtration System

+ Engine and Hydraulic Oil Filtration

- > Enhances oil performance
- > Improves reliability
- > Ultra fine particle removal to ISO 17/15/12 – NAS6
- > Prevents corrosion by removing 100% of water from oil
- > Prevents system wear
- > Prevents acidity in oil
- > Universal mounting bracket
- > Easy element replacement

Filtakleen Oil Bypass Filtration System

+ For more information visit timken.com/interlube

THE SAVINGS

- > Increases the efficiency of the engine
- > Reduces component wear
- > Reduces the risk of system failure
- > Extends oil life considerably
- > Reduced vehicle down time and repairs
- > Reduces maintenance costs

OILCARE

OILCARE

The complete solution to fleet and plant oil management

Whether you are an owner, operator or a fleet manager, one of the most cost effective ways of looking after your oil is by employing the use of oil replenishment and filtration systems.

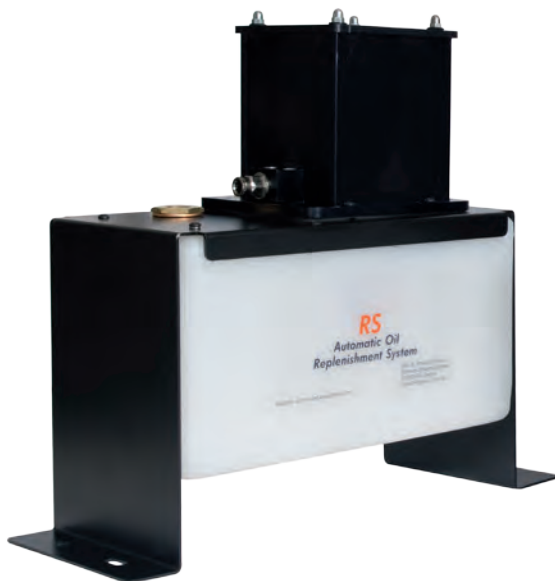

OilCare from Interlube is designed to manage and care for diverse requirements, the oil condition in engine and hydraulic equipment in a diverse range of applications.

The RS Engine Oil Replenishment system monitors the oil level in the engine and, if necessary, supplies a measured pre-set volume of oil from its own reservoir.

The Filtakleen range of filters have been developed to filter engine and hydraulic oils, efficient at removing solid particles and water.

These two solutions combined, form OilCare from Interlube, total care for your engine.
